 EAGLE CREEK CHURCH

KINGDOM BUILDERS

2026

Jesus said, “Go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you.”
Matthew 28:19–20

This calling wasn't just for the first disciples, it's for every believer. At Eagle Creek Church, our vision is for everyone to know Jesus and become all that God created them to be. That's why Kingdom Builders is so close to our hearts. Every year, Sheri and I give to missions because we've seen firsthand how generosity changes lives, both for those who give and for those who receive. Through Kingdom Builders, we have the joy of partnering with amazing missionaries and ministries who are reaching people for Christ, meeting needs, and building the Church across the globe. When we pray, give, and go, we're not just supporting projects, we're helping fulfill the Great Commission together.

Thank you for being a church that gives with vision and serves with purpose. We're honored to be on this mission with you.

Pastors Matt & Sheri Harris

Kingdom Builders

Kingdom Builders is Eagle Creek Church's strategic approach to funding missions, outreach, and next-generation impact, locally and around the world. We believe living with purpose means using our resources, prayers, and faith to advance the mission of God.

Through Kingdom Builders, we partner with more than 40 missionaries, ministries, and organizations serving in communities where the Gospel is being shared and lives are being transformed. Together, we're helping plant churches, equip leaders, strengthen families, and empower the next generation to carry the message of Jesus forward.

9 & 10:30am

New Road Sign

\$ 50,000

God has positioned Eagle Creek Church where over 34,000 cars pass our building every single day, that's 12 million opportunities annually to share hope with our community. Right now, we're invisible to most of them.

An LED sign becomes an extension of our mission, putting messages of hope, service times, and invitations in front of people exactly when they're driving by, reaching individuals who may be searching for purpose, healing, or a fresh start. Here's the reality: people don't visit churches they don't know exist. This sign is about letting 34,000 people a day know we're here for them. God will use this tool to draw people from our community closer to Him.

Sound System Upgrade

\$ 150,000

Eight years ago, we installed the most basic sound system available just to get operational and our incredible worship and technology teams have maximized every bit of potential from it. But we've now pushed it to its limit. It is time to upgrade our sound to create a fully immersive worship experience that removes barriers between people and God.

Imagine hearing every voice and instrument with crystal clarity, where worship becomes more engaging, messages land with greater impact, and every guest feels more deeply connected from their first visit. Investing in better sound will positively affect every person in every service for the next decade. Join us in making this practical improvement that will deeply engage our church and everyone visiting Eagle Creek for years to come.

South Entrance/Exit

\$ 30,000

South Lee's Summit is growing, and God is bringing many of these new families to Eagle Creek. Right now, nearly everyone uses one entrance on the north side, creating traffic bottlenecks and safety concerns on 291 highway.

A southern entrance on the outer road gets people in and out safely while handling the growth we're already experiencing. But here's what matters most, we never want traffic or safety concerns to be the reason someone doesn't come back. When a first-time guest sits in traffic or worries about getting off the highway, we've created an unnecessary barrier to their next step with God.

This isn't just a road improvement, it's an open door reminding every person who drives in that they are welcome here. This project removes barriers so we can focus on what truly matters: connecting people to Jesus and helping them discover the life-changing hope He offers.

Reaching our Kingdom Builders goals takes faith, sacrifice, and a willingness to trust that God can do more with our “yes” than we could ever imagine. Whether you're just beginning your giving journey or believing for new levels of generosity, your obedience makes an eternal impact.

Ephesians 3:20 reminds us that “God is able to do immeasurably more than all we ask or imagine, according to His power at work within us.” When we give, we're not just funding projects, we're fueling transformation, opening doors for the Gospel, and helping people experience the love of Jesus.
